Illustrious Potentate

A Message from your Potentate

WHEN I was elected Potentate of Aleppo Temple I made the statement that I would try to keep the Nobles informed at all times. In the past eleven months I have done my best to fulfill this promise, and now once again I must write to the Nobles about something which, to say the least, is disturbing.

Some of you may have heard rumors in the last several months about a dissident group who are planning to upset the Official Line of succession at Aleppo Temple. I think it is only fair that all the Nobles know why this group is causing this dissension. As Potentate of the Temple there are times when unpopular and unpleasant decisions must be made. For some time certain members of one of our Units, appointed by your Potentate, have not given their all for Aleppo Temple. This group is very small in number. To solve the problem and to restore Aleppo's Patrol to its proper position locally and nationally, it was my duty as your Potentate to initiate a reorganization program. Unfortunately some feelings were hurt and ruffled. Some of these Nobles then decided that they would cause as much dissension in Aleppo Temple as they possibly could. They have had meetings and, in the opinion of many of the members of Aleppo, they committed the cardinal sin of allowing members of the press and news media to attend one of their protest meetings, thus parading an internal problem before the residents of our entire jurisdiction.

It is our firm conviction that street corner politics, telephone campaigns, distributing cards and lapel pins are not part of our Fraternal Organization and are extremely detrimental to the well being of any large Fraternal Organization such as Aleppo.

Conducting meetings of Shriners not authorized by the Potentate of a Temple, is forbidden by Shrine law and could lead to disciplinary action.

Whatever our problem is, it should be solved within the confines of our Organization and should not be

given to the press. This applies not only for Aleppo but for any organization that is fraternal in nature. There is a reason for having a Divan and a line of succession in Aleppo Temple, just as there is in most Fraternal Organizations. Aleppo Temple is a big business. It takes time to learn all the facets of its administration, and that is why each Potentate starts at the bottom of the line and works his way through to the top, assimilating knowledge and preparing himself for the day when he must administer the affairs of this Organization. It cannot be done overnight and to change the line of succession at this time, or any time, especially for personal reasons, would be a serious blow to Aleppo Temple. I am most grateful to our Divan Officers who served with me during 1966, especially because of their Fraternal knowledge and past experience which was most helpful to our Temple. The qualifications of these Divan Officers who have been serving and progressing in the Temple Line for many years is most interesting.

This degree is conferred only on those who have held the highest office in the four Bodies of the York Rite. Noble MacODrum joins a group of only 400 from the more than four and one-quarter million Masons in North America to be so honored this year.

STANLEY F. MAXWELL, our present High Priest & Prophet, is a Past Master of Good Samaritan Lodge, 1944-45; Trustee of the Lodge funds, 1948-1966; Senior Grand Steward of the Grand Lodge in 1952; District Deputy Grand Master, 1954-1955; Grand Standard Bearer of Grand Lodge, 1956; Deputy Grand Master of Grand Lodge, 1964; member of Grand Lodge Service Committee from 1956 to date, and received the Henry Price Medal, the highest award give by the Grand Lodge. He is General Grand Master of the Second Veil, General Grand Chapter of Royal Arch Masons, International, 1966-69. He received the Benjamin Hurd and Paul Revere Meritorius Service Medals from the Grand Chapter.

EDGAR W. PITT, present Oriental Guide of Aleppo, is a Charter Member, Order of DeMolay; member of Wellesley Lodge; Massachusetts Consistory, 32°; St. Andrews Royal Arch Chapter and Boston Commandery #2, K.T. He served as Adjutant to the Potentates of Aleppo Temple, 1959-64, Second Ceremonial Master, 1964, First Ceremonial Master, 1965, and elected to the Divan in 1966. He is President of Sherman Division, St. Regis Paper Company and Vice President and Director of Central Paper Company, Muskegon, Michigan. He is a member and officer of many business, service and social clubs.

The other two elected Divan Officers, Illustrious Past Potentate Frank B. Ells, Treasurer, and Harvey B. Leggee, Recorder, are well known to our entire Nobility. Their record of service to Masonry and Aleppo Temple for many years is incomparable! It has been a pleasure and an experience to work with these two Officers this past year. Their dedication to our Temple and its purposes is peerless. We are most fortunate to have these two Nobles serving our Temple in these two very important positions.

So, you can see, Nobles, that the line of succession is well qualified, all healthy, and have willingly served Aleppo Temple!

I feel it my duty and it is a genuine pleasure to take all this space to express my appreciation and heartfelt thanks to these good Nobles for their assistance and cooperation during my year as Potentate.

If the members who are annoyed with me because of my administrative decisions are truly charitable, they would argue their brief with me and not try to take out their venom on the members of the Divan succeeding me.

When you make decisions, sometimes a small group suffers. This is unfortunate, but it is also the democratic way of life. What is good for Aleppo Temple is good for its members.

It is the duty of every Noble to make sure the line of succession be composed of this type of Nobles who have worked long and hard and have willingly given of their time to make our Organization an important factor in our community. Aleppo Temple became the fourth largest Temple because its members have always been a constructive force building for the future.

The price of leadership, as I have said many times, is high. If you are truly a leader, there is only one way you can perform and that is to make your decisions wisely, firmly, but always with conviction. If you sit back and adopt a laissez-faire attitude, then you are not epitomizing the meaning of the word "LEADERSHIP".

Sincerely yours in the Faith,

Carl R. MacKenney

NOBLES MOURN DEPARTED

EACH YEAR Aleppo Temple pays tribute to those in our ranks who have reached the end of their earthly pilgrimage. It seems almost incredible that year after year some four hundred of our number should have slipped from our sight — some who appeared rugged and strong. Yet, death is one of those unpredictable facts of existence. Around some corner, close to an oncoming moment, Allah bids us leave our fez behind and walk at his side to the Happy Land towards which we all have yet to find! The Shrine Memorial Service was held on Sunday, January 15th, at Old South Church, Copley Square, Boston. Services were conducted by Rev. Thomas Sherrard Roy, D.D., Past Imperial Chaplain and Chaplain of Aleppo Temple, assisted by Rev. Arthur H. Melanson and Rabbi Beryl D. Cohon, Rabbi of Temple Sinai. The theme of his sermon was "Water Spilt upon the Ground".

The Aleppo Temple Divan was present, headed by Illustrious Potentate Carl R. MacKenney and many of our Past Potentates. The Aleppo Chanters played a prominent part in the musical part of the service. On hand were the Aleppo Temple Color Bearers and Guards. Noble Walter M. Smith sounded taps for the 446 Nobles who passed away in 1966.

Among those who have departed during the year was Illustrious George A. Weeks, Potentate in 1957, who died on May 28, 1966.

Death invades our circle, often when we little suspect its imminence — taking the needed and useful among us, and leaving behind a sense of our human frailty and mission incomplete. It leaves deep sorrowing among friends who have loved and lost awhile. But the spirit of the Shrine is ever an onward adventure; a never ending hope of arriving in the presence of Allah. Each Noble contributes to the spirit and mission of life. We certainly cannot slow up the inevitable onrush of the fleeting seconds of time which God has allotted to each one of us; nor can we forestall the moment of transition to life's spiritual sequence — but such gatherings as the Annual Memorial Service, do give us the opportunity to honor with pride the "goodness" in the lives of others; the greatness of their endeavors for others; and give us an appreciation of what made the lives of these inspiring, useful and meaningful — so that before our journey ends, we too, may hopefully add something to the value of our own lives for our fellow man! To this end must we ever strive till life's end — and Allah be praised!

VISIT YOUR NEAREST SHRINE HOSPITAL!

OVERHEARD in San Francisco during the 92nd Imperial Council Session was an elderly lady who, after purchasing her parade ticket, was asking some questions of a Noble standing in the lobby of the Hilton Hotel.

"Pardon me, young man," she asked a Noble obviously attending his first Shrine Convention, "don't you Shriners run some sort of hospitals?"

"Yes," he replied, "we have some hospitals for crippled children, but I don't know much about them."

So the lady went away, questions unanswered, and probably convinced that the Shriners don't do much but have a good time parading around town during conventions.

Why didn't this young Noble know how to answer the lady and tell her about our great philanthropic work? Probably because he had never taken the time to visit the Shriners Hospital nearest him!

Don't let yourself, or any other member of your Unit, Temple, Blue Lodge, or York or Scottish Rite body get caught this way — empty handed. Take it upon yourself to learn about our great philanthropy. Prepare yourself, not only to answer questions about it, but to initiate conversations informing your friends, other Nobles, and especially prospective candidates, about the work of our Fraternity.

Remember, the best way to inform yourself about the Shriners Hospitals is to actually visit one. There is no better way to understand and appreciate the work you are helping support. There is no better reward than to see a crippled child smile — at you.

We urge each Noble of the Shrine to visit his nearest Shrine Hospital or any Shrine Hospital. And don't just go alone — take your family, friends, fellow Nobles, and prospective candidates with you. It's guaranteed to be a most rewarding experience.

Regular visiting hours at our Springfield Unit are 2 to 4 o'clock on Saturday and Sunday. However, Nobles and their Families may visit any Shrine Hospital at any time.

For further information call Springfield Unit Tel. No. Code-413-732-3171.

ALEPPO TEMPLE CLOWNS

The picture below was taken at a Christmas Party at the Italian Orphanage in Jamaica Plain, where, with the help of the Oriental Band for the last two years, we have put on a joint party for the Children with a Santa Claus (Noble Leroy Nickerson) who passed out gifts to all the orphans.

Our work, as "Shrine Clowns" consists of visiting hospitals, orphanages and crippled children, putting on shows and parades for the entertainment of all children of any race or creed. We are the newest group of the Uniformed Units of Aleppo. Each clown has his own type of makeup and three clown outfits to be used on different occasions. These outfits usually cost from \$50.00 to \$150.00 apiece and are created and owned personally by each clown.

We are very proud of the National Trophy we won in San Francisco this year in the Imperial Council Parade. It was given to us for the most applause and crowd appreciation along the line of march. There were 163 Clown Units in the parade and Aleppo's Clowns worked very hard to win this award.

Some of the places we have visited are the Shriners Hospital for Crippled Children in Springfield, Mass., Crotched Mountain, Greenfield, N. H., Salem Hospital, Salem, Mass., Lynn Union Hospital, Lynn, Mass., and the Worcester Memorial Hospital in Worcester, Mass. We have also put on shows in Peabody, Wakefield, Cambridge and other small appearances this year.

WORLD'S GREATEST PHILANTHROPY

THE extensive activities of the Ancient Arabic Order of the Nobles of the Mystic Shrine in the field of surgical and medical treatment for crippled children have recently been augmented by a new program in a related area, so that there are now two phases to this very worthwhile project. As you are undoubtedly aware, the Shriners Hospitals for Crippled Children have been in existence since 1922 when the first hospital opened at Shreveport, Louisiana. The new phase, the Shriners Burns Institutes, which got under way on a very limited basis in 1964, promises to become as well known and as invaluable as the original project.

The original program, the Shriners Hospitals for Crippled Children, now includes seventeen hospitals, of which we have one here in Massachusetts, at Springfield. The one farthest from Boston is located at Honolulu, Hawaii, and there are also hospitals in Montreal and Winnipeg, Canada, and in Mexico City, Mexico. These seventeen hospitals represent a capital investment of more than \$25 million, with an aggregate annual budget of more than \$7 million, all contributed by the Nobles of the Mystic Shrine. In the near future, the number of hospitals will be increased to nineteen with the addition to the program of hospitals at Erie, Pennsylvania and Houston, Texas, previously operated by the respective Shrine Temples in these two cities.

Since 1922, more than 150,000 children have received care as patients in the Shriners Hospitals for Crippled Children. Over the years, the average stay has been ninety days and the average cost per patient runs to between \$1500 and \$2000. Great progress has been made, not only in the development of treatment for crippled children, but also in the field of children's medical research. The Program's objective is to care for and offer a helping hand to crippled children from humble families and to provide normal association with the best of medical and humane treatment.

Shriners Hospitals are considered among the finest in the world, designed for a particular purpose, and maintaining the highest standards in surgery, physical therapy, and other essential activities. There are complete outpatient facilities for treatment of children not requiring hospitalization, with special examining and physical therapy rooms, and with all X-rays, casts and braces furnished without charge. Full educational and recreational facilities are located at each hospital. In addition to regular public school instruction by qualified teachers, enabling children to "keep up" and enter their regular grades upon return to their homes, children are encouraged to follow recreational activities and interests normal for their ages.

Children of any race, color or religion, under 15 years of age, and whose parents are unable to pay for hospitalization or outpatient treatment are admitted. There must also be reasonable possibility that the treatment will benefit the child. Infants, only days and weeks old, are frequently admitted, especially to the clinics and outpatient departments, with parents taking children home after each visit.

In applying for admission, an application blank must be filled out and signed by parents or guardian,

family or attending physician, and a sponsoring Shriner. Application must be accompanied by a birth certificate or affidavit as the child's age, and if a guardian is the signer, a certified copy of court order. If the application is approved, the Shriners Hospital asks only the parents' or guardian's complete cooperation and understanding. Everything from clothing, toilet articles, laundry, linen, barbering, food, dental care, braces, crutches and any other necessary appliances are furnished with absolutely no cost to the family. If you know of any qualified crippled child requiring treatment, please do not hesitate to take immediate action. You may be assured that there is a minimum of "red tape". Further information and application forms are available from the Recorder, Aleppo Temple, 569 Boylston Street, Boston, Mass. 02116.

The new program, the Shriners Burns Institutes, will consist initially of three Burns Institute Units, two now under construction at Boston, Massachusetts and Cincinnati, Ohio, and one now in operation at Galveston, Texas. The Institute at Boston, adjacent to Massachusetts General Hospital, will be operated jointly by the Hospital and the Shrine, and in association with the Harvard Medical School. The building will be completed in the Fall of 1967 at a cost of \$4,250,000, including equipment all financed by the Nobles of the Mystic Shrine. Anticipated annual operating expense of some \$1.5 million for each of the three Burns Hospitals, will also be financed by the Shriners. One-third of the building will be devoted to patient care, with thirty beds, one-third to research laboratories, and one-third to administrative use, outpatient facilities, etc. Personnel now in training for this Unit number approximately 150 persons — surgeons, therapists, nurses, psychiatrists and social workers. The Boston Unit will have three principal functions — (1) the study and treatment of severely burned children, (2) research in problems related to burns, and (3) training of medical personnel in the care of burned patients. The over-all cost of construction and equipment for the first three hospitals will amount to more than \$10 million.

Since April 1, 1964, a small 5-bed interim unit of the Burns Institute in Boston has been in operation at Massachusetts General Hospital, where more than seventy children have been admitted in the past thirty months. The decision to locate a facility at Boston, in addition to the outstanding medical and research facilities in the area, was based in part on the local availability of Dr. Oliver Cope of Massachusetts General Hospital Surgical Services, Professor of Surgery at Harvard Medical School, who will become Chief of Staff of the Boston Unit. The knowledge which he and his colleagues gained as a result of the Coconut Grove fire in Boston on November 28, 1942, in which 492 lives were lost, and the Hartford circus fire on July 6, 1944, in which 168 persons perished will be invaluable to the Boston Burns Unit.

It has been said that burns are the greatest single hazard of childhood, and improved burns therapy has been described by medical authorities as the nation's most urgent medical need. Each year severe burns claim the lives of 3500 children. The new Shrine Program presents a great opportunity to save these children's lives and to aid the other 12,000 children whom burns hospitalize each year. Fifty percent of the children who have half of their body surface

burned die from the effects of the injury under present conditions of care, and because of limited research in the effect and treatment of burns. In cases where forty percent of the body surface is burned, treatment usually costs more than \$10,000 per patient. It is very difficult to treat a severely burned patient in a general hospital unless special facilities are available, and inadequate treatment of burns often lies in the great expense associated with complicated burn care.

Because of the tremendous expense frequently involved in children's burn cases, the requirements as to ability of a family to pay are less stringent in admitting children to the Shriners Burns Institutes. However, as in the case of the Shriners Hospitals for Crippled Children, the Burns Institutes are open to all children under 15 years of age, irrespective of race, color or religion. The application procedure is similar, and further information and application forms are available from Harvey B. Leggee, Recorder of Aleppo Temple.

Both the Shriners Hospitals for Crippled Children and the Shriners Burns Institutes are something we should all be fully aware of, since there may be some child in our own area who might benefit from these extensive Shrine medical programs for children.

NOTE: This article is based on Remarks to the Board of Masonic Relief of the Grand Lodge of Masons in Massachusetts by Right Worshipful Robert P. Beach, Senior Grand Warden, on December 13, 1966. Beach is a member of Aleppo Temple, and an honorary member of Abou Saad Temple, Ancon, Canal Zone.

December 27, 1966

"Dear Illustrious Carl:

"It is felt that a properly worded reminder to our Nobility can and will dispel much of the stupid and weak adverse thinking of a *small* minority. In any case, Carl, the following represents my thinking and I stand willing to assist in whatever way I can for the future 'good of Aleppo Temple.'

"As we face the New Year we are reminded of the great lessons learned in the Masonic Fraternity as well as those learned throughout history in the social and economic advancement of our great country.

"No one man or even one organization can lay individual claim to this advancement, but rather the 'teamwork' and dedicated effort that springs from strength of purpose, acceptance of responsibility and due recognition of lawful authority and 'elected leadership'!

"In Masonry we learn that 'he who aspires must also possess the necessary requisites' and on this theme, we of Aleppo can be justly proud of the outstanding Masonic backgrounds and recorded evidence of leadership ability demonstrated by our duly elected and appointed Officers down through the years, all of whom have spent many years of their lives climbing the Masonic ladder, step by step, in the interest of furthering the good of our Fraternity.

"We also cannot fail to recognize the utter disaster that results from political and clandestine coups when conducted by irresponsible persons and unlawful groups who have no just or legal qualifications and whose only desires are to serve their own selfish self-interests.

"With our hearts and minds rededicated to the best interest for the future of Aleppo, may we, in this

New Year, unite as a team with our Divan to make 1967 a year of outstanding brotherhood and fellowship in furthering our goals, as Nobles of Aleppo Temple, to help crippled and burned children and to ensure a truly fine and acceptable Masonic image.

"This is how I see it, and with much personal respect and admiration,

"CHET

NEW GALVESTON UNIT'S AMATEUR ARTIST

TWO YEARS ago a youngster from Guatemala — 14-year old Marcel Reichenbach — suffered severe burns injuries and was admitted to the Galveston Burns Institute. Although lacking in formal training, the young man is an extremely talented artist.

Due in part to a very extensive rehabilitation program at the Shrine Burns Institute and to the undaunted courage and determination of the young Marcel, he has learned to paint despite the fact that he is a double amputee as a result of his burns injuries.

First by holding the paint brush in his mouth, later using his new artificial prostheses, he did these beautiful pictures. Always he wears his white hat, which became his symbol during his hospital stay, partially because he likes it, and because it hides the burns scars on his head.

The tribute underneath his picture reads, in part — "This exhibit is our tribute to a young man's courage and determination, and we hope that it will serve as an inspiration to others with misfortunes who say 'I can't.'"

Marcel is home now, and says he hopes to sell his paintings to earn funds to further his education.

REFLECT WELL!

BY NOBLE HENRY S. C. CUMMINGS
Historian of Aleppo Temple

WHEN one hears rumors of dissatisfaction in the ranks and of the efforts of a small minority to break with tradition — seeking to replace capable and popular leaders, it should be a time to carefully evaluate things as they are and reflect, if we will, on our reasons for pride in the achievements of our Shrine which has risen to be one of the largest, finest and more spirited Temples in the Country.

We are locally an organization of over sixteen thousand Masons, proudly entitled to wear a fez. We have existed for over 80 years as a fun-loving, happy, united family — eager to help in the restoration of limbs warped by paralysis and tragedies caused by burns. Because of the generosity of Shriners numbering close to a million, the Shrine has been able to erect and maintain twenty hospitals valued at over \$50,000,000. Since this organization has been in existence probably more than a half million youngsters have been restored to a life freed or relieved of physical handicap. These achievements just don't happen where there is dissension in the ranks. If, in the past, unwise efforts had been made to unseat our "line officers" — we might never have had the superior Masonic Leaders we have had to direct the destinies of Aleppo and men who have given our Temple its tremendous prestige and honor. We should be proud to see coming along some of the most outstanding Masons of our day — who are, indeed, worthy of our encouragement and support, for they are highly dedicated to the promotion of Aleppo, amply qualified for leadership and possessing administrative responsibility and characteristics that make them respected and admired.

We have every reason to be proud of our growth and strength, our influence and leadership, our activities and spirit. Such accomplishment is not the work of any one individual — but the work of years of building and service and development of relationships. It has come from the loyalties of many; the sacrifices and the participation of literally thousands. Leadership must be loyally supported where there are responsibilities to fulfill, and the best interests of our Temple to be maintained. Our leaders must take positions if it is for the ultimate good of the whole. Any unwise efforts to disrupt could threaten the orderly processes and practices that have made us great in the past. We are assured that our colorful Shrine Patrols will soon again be fully recruited and will again offer enjoyment to us on the sidelines, as well as to those in its ranks. This is a responsibility which must be left with carefully chosen leaders. There may be deeper reasons for changes made — but disturbing the spirit of a Temple by alternate proposals of leadership can be thoughtless and ill-advised — and should not be supported.

SECOND SHRINE RESEARCH FELLOWSHIP GRANTED

THE SHRINE'S second Research Fellowship, a grant from Shriners Hospitals for Crippled Children, was awarded to an extraordinary pair of Argentine surgeons, Dr. George Parcansky and Dr.

Maria Corujo. As recipients of this grant, Dr. Parcansky and his wife Dr. Maria Corujo will spend six months working in burn research and treatment in association with Dr. Truman G. Blocker, Executive Director and Dean, University of Texas Medical Branch. They will also study with Dr. Duane Larson, assistant professor of surgery at the Burns Institute.

Dr. Corujo, born in Spain where her father was an assistant professor at the University of Madrid, was reared in Argentina.

Upon completion of her formal education, she became a teacher in the field of primary education but a life-long interest in medicine prompted her to study medicine. Of 2,000 applicants for the twenty-five scholarships offered, she ranked second academically.

As a medical student, Dr. Corujo studied burn treatment and plastic surgery at the University of Buenos Aires. After graduation, she began practice and was invited to become a permanent staff member at the Institute of Burns & Plastic Surgery in Buenos Aires. In 1963, she married "my best friend" and fellow student of eleven years, Dr. George Parcansky.

Dr. Parcansky, a native of Buenos Aires, fulfilled a boyhood dream when he entered medical school in 1955. A piano student at the National Conservatory of Music for fifteen years, Dr. Parcansky says, "I became interested in burns while studying pathology, and after graduation, spent three years working in general surgery and two in plastic surgery."

Dr. Parcansky is also a staff member of the Institute of Burns and Plastic Surgery in Buenos Aires. He and his wife graduated from medical school in 1961, "a year ahead of our classmates, because we worked and studied very hard."

Of their work as a team, Dr. Corujo laughingly says, "We are our own 'staff' wherever we go, and we are deeply appreciative of the opportunity to study in this country."

"The experience, training and idea exchange obtained while Dr. Parcansky and Dr. Corujo are here under the Shrine Fellowship will be most beneficial to us," says Robert L. Innes, administrator of the Burns Institute, "and we hope we can contribute as much to their future efforts in the field of burn treatment as we will gain from them."

ALEPPO TEMPLE GUARD

BY ROBERT L. GRAHAM, JR.
Captain of the Guard

THE TEMPLE GUARD is a part of the Uniformed Units, and is composed of two platoons. Each platoon consists of thirty men, commanded by a second lieutenant and assisted by a sergeant and two corporals.

On a ceremonial day, the first platoon reports for duty at 12:45 P.M. Each Noble is assigned a post during his tour of duty. The second platoon reports for duty at 2:45 P.M. and relieves the first platoon at 3:00 P.M. Each platoon alternates with the other in two hour shifts. Over twelve duty stations are manned at the Commonwealth Armory during a ceremonial from 1:00 P.M. to 9:00 P.M.

Responsibility of the Temple Guard

Basically, the role of this unit is to guard all entrances and exits during a Shrine ceremonial so that none may enter who are not qualified; to inspect the dues cards and collect the words from all who seek admission, allowing only those who properly qualify to enter. In the event a Noble fails to produce his due card, he is escorted to the Recorder's Field office. Should a Noble fail to give the words, he is held aside and questioned further. Normally this does not create any undue hardship on the Nobility unless it happens during the period from 5:00 P.M. to 6:00 P.M., when approximately two thousand Nobles are admitted through the main entrance. One Shriner is admitted every two seconds during this peak period.

Special Tour of Duty

The Temple Guard is a marching Unit. During the year, participation is required at the following events: All-Masonic Night, Shrine Ball, Memorial Service, Athletic events, National Convention, and regularly scheduled drill rehearsals.

One of the most enjoyable, yet the most pressing, is the tour of duty at the "Kiddie Show" at the Shrine Circus. This event is held on the first Saturday morning and requires the unit to escort all visiting underprivileged children to their pre-assigned seats. Some of these children are in wheelchairs, on crutches, or need assistance in some way. If you would like to see "Shrinedom in Action", assist the Temple Guard during the Saturday morning performance at the Shrine Circus.

Hubert N. Bernard 33°

— first Captain of the Guard

Chief Rabban "Hubie" Bernard, former army major and paratrooper was the Temple Guard's first commander in 1953. Nine of the charter members of his original unit are entering their fourteenth continuous year of service to Aleppo Temple. The men who are currently serving in "The Guard" average over eight continuous years of service. Since it has been my personal pleasure to be a member of this outstanding unit, I would like to quote a few statistics regarding the men known as the Temple Guard:

10	Past Masters
5	Past High Priests
1	Past Ill. Master
6	Past Commanders
4	Shrine Club Presidents
29	Armed Forces (WW I or II)
60	Average Age

Several memberships available

It has been the custom in the past to accept only those men on the Temple Guard who either by age or physical limitation cannot participate in the Arab Patrol. Since the present average age is sixty years, staffing is started around age fifty. If you would like to petition for membership in the Temple Guard, and would like to associate with an outstanding group of Shriners, complete the application blank appearing in this month's notice. Should you know a member of the Temple Guard, perhaps he will sponsor you. The most difficult requirement of the Temple Guard is usually the early starting time of the tour of duty at Ceremonials. If this does not present a problem and you would like to serve Aleppo Temple, let us hear from you.

1967 IMPERIAL POTENTATE'S SHRINE TRIPS

THE TWO Imperial Shrine 1967 Spring trips are open to Shriners, their families and their friends, and are not just ordinary trips to Hawaii and Egypt, but include special events not ordinarily offered on any other trip.

THE HAWAIIAN VISITATION is an annual event and will sail from San Francisco on the big white LURLINE of the Matson Lines, April 21, 1967, and the following day from Los Angeles. This is truly an exquisite trip, with a very special program planned in Honolulu for the participants. The hotels are right in the Waikiki area, and on Waikiki Beach. During this trip the IMPERIAL POTENTATE, ORVILLE F. RUSH, WILL DEDICATE THE NEW HONOLULU UNIT OF THE SHRINERS HOSPITALS FOR CRIPPLED CHILDREN ON APRIL 30, 1967. Optional Outer island trips to Hawaii, known as the "Orchid Isle", Maui, known as the "Valley Isle", and Kauai, known as the "Garden Isle", will be offered from Honolulu.

THE MID-EAST CEREMONIAL TRIP of the Imperial Potentate will leave Chicago and New York, May 2, 1967 for 21 fun-filled days on a Mediterranean jet air cruise to the fabled Mid-East, featuring a Shrine Ceremonial at the Sphinx in Egypt, with the Pyramids looking on. There will be a visit to the Holy Land, fascinating Istanbul, unique Greece, and Switzerland. This is the second annual such trip, and is truly an experience of a lifetime. The trip's basic itinerary will be \$1,256, with optionals to Rome, Paris and Geneva and also to Vienna and London.

For complete information on these trips contact your Recorder, 569 Boylston Street, Boston, Mass. 02116.

A NEW LOOK FOR ALEPPO TEMPLE IN 1967

The Uniformed Units of Aleppo Temple are the show window of Shrinedom. Public appearances of these colorful Units, together with the work of our great philanthropy typified by the new Burns Institute here in Boston, as well as the individual personal conduct of our Nobility, are all factors in the creation of a favorable public image here in New England for the Shrine of North America.

Every Noble of Aleppo Temple with the physical requirements, willing to attend scheduled drills or rehearsals, and desiring to actively participate in Aleppo Ceremonials, public appearances, and reasonable tours of duty, is not only cordially invited but urged to register for membership in one of our numerous Uniformed Units. This invitation is extended to each and every member of Aleppo Temple. TO THE NOBILITY

"Es Selamu Aleikum"

Since the annual meeting in January, your Potentate and his officers have spent a great deal of time in arranging an active year for the Nobility.

As we go to press with the announcement of our May 19th Strawberry Festival, we also will have the honor of receiving the Imperial Potentate, Orville F. Rush of Kena Temple, Alexandria, Virginia and have named the class of candidates for this ceremonial in his honor.

Sunday, May 21st will be Shrine night at Aleppo's Mounted Patrol Horse Show at the new indoor Ridge Arena in Braintree, Massachusetts. It is hoped that many of the Nobility will plan to attend with their families. Be sure and wear your Fez.

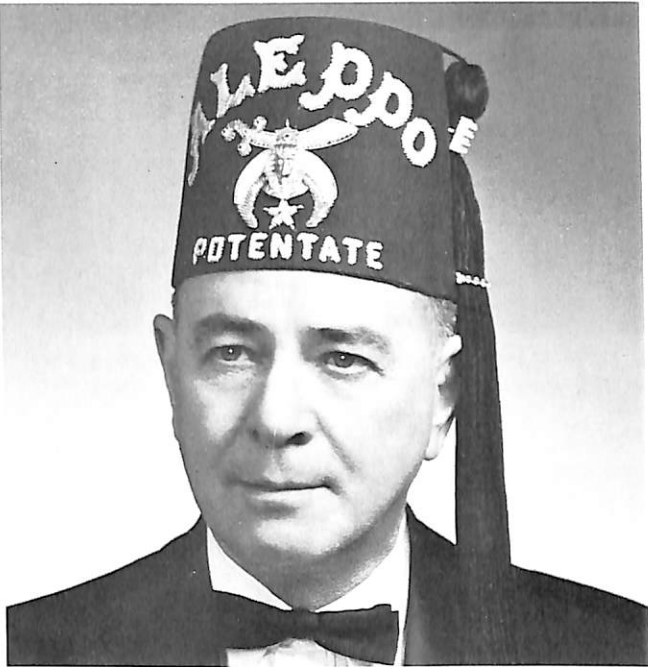

Saturday, June 3rd will be Shrine day at Barnum & Bailey's Ringling Bros. Circus. The evening performance will be preceded by a display of Aleppo's uniformed units. Be sure and join our Daddy's Club.

The Potentate's Ball will be held June 7th in the Statler Hilton Ballroom and for the first time in the history of the Temple, the Ball Committee will be comprised entirely of Aleppo uniformed units. The plans are for all members of units to wear the uniform of their respective units and this should make a most colorful spectacle.

Saturday, July 1st, the cornerstone of the new Burns Hospital in Boston will be laid by Imperial Potentate Orville Rush accompanied by many members of the Imperial Divan; dignitaries of the state as well as of the city have been invited to attend the formalities which will be preceded by a street parade in which all the uniformed units of Aleppo will participate.

The 1967 Imperial Session will be held in Washington July 9th through July 14th and Aleppo will be well represented.

In addition to the above activities, we are planning a night at the ball game and there will also be two golf tournaments. Plans are also being formulated for a Sports night in the fall. September 24th calls for an Aleppo Temple Family Day at the Brockton Fair grounds. Admission will be free to all Shriners and wives, children and grandchildren as well as their

friends and neighbors. The festivities will open with a street parade and all of our units will participate in making this a great day for all the Nobility.

You will note that in this Bulletin, we have listed the events for the year of our Shrine clubs and may I say to you Nobles who do not belong to a Shrine club, join. You will have many happy hours not only for yourself but for your wife.

This coming November, we are planning a huge Fall Ceremonial to be held the Friday after Thanksgiving. You will hear more of this later.

Plans are now being formulated for an all Jet Tour of Europe in the Fall as well as a tour of EXPO 67 which details are carried in this notice.

Nobles, to make this program for 1967 a success, your Temple needs the support of every one of you but two ways in which this support can be supplied are by your attendance at our functions and your candidates for membership in our great Shrine Temple.

ALEPPO'S
NEW SECOND CEREMONIAL MASTER

EACH YEAR as the Shrine line of officers progresses up the ladder and a new Officer is elevated to the office of Illustrious Potentate, the opportunity presents itself for this new guiding head of our Temple to appoint a Second Ceremonial Master, who may eventually become the Illustrious Potentate of Aleppo.

Following his election to office at the Annual Meeting January 27, 1967, our new Illustrious Potentate Hubert N. Bernard, Jr. announced his appointment of Noble Donald W. Vose, 33°, to the office of Second Ceremonial Master.

Noble Vose, who resides in Wellesley Hills, is a Past Master of Columbian Lodge, A.F.&A.M., a Past District Deputy Grand Master of the Boston 1st Masonic District, 1962-1963, and was Deputy Grand Master of Masons in Massachusetts in 1963.

He is a member of all York Rite Bodies and is a Past Eminent Commander of St. Bernard Commandery #12 of Boston.

Noble Vose, a 33° Mason, is a member of the Scottish Rite Bodies in the Valley of Boston and served as Commander-in-Chief of Massachusetts Consistory, 1958-1961. He received the Distinguished Service Medal, Massachusetts Consistory, in 1954.

His Masonic memberships include Massachusetts College-Societas Rosicruciana and Bay State Conclave-Red Cross of Constantine. He is a member of the Charles River Valley Shrine Club and an Officer of Boston Court No. 103, Royal Order of Jesters.

MELROSE NOBLES ADD TO
MEDICAL HISTORY!

NOBLE DOCTORS Robert Hormell and Sidney Levine played a big part in the "miracle" or combination of miracles which recently took place in the Melrose-Wakefield Hospital.

Little three-year-old Billy McCormack was technically "dead" after lying for at least ten to twelve minutes under water in Ell Pond, Melrose. But today he is completely well and happy, thanks to a combination of factors that seemed to all click at the right time, performing new miracles of human and scientific coordination.

The chain of events started when Billy and his sister Kara, four, went out to play. A few minutes later Kara ran to tell her mother that Billy "fell in!" Mrs. McCormack called the Melrose Police and Fire Departments. They all responded in minutes. Eight minutes after the call was clocked at the Fire Station (10:07 A.M.), the firemen rushed into the Hospital, alternately giving the child mouth-to-mouth resuscitation.

Noble Dr. Robert Hormell, who was at the Hospital at the time, pumped the water from Billy's lungs and applied a heart pacer device and placed the child in a thermal blanket set at 78 degrees. If the body temperature is kept lower than normal by this new type blanket, less oxygen is required.

Dr. Hormell was soon joined by Dr. (Noble) Sidney Levine, a cardiologist, Dr. Richard Watson, pediatrician, and Dr. Francis McCarty, anesthesiologist. At 10:08, or 11 minutes after the call was clocked at the Fire Station, Billy's heart responded. The doctors and nurses continued to work while the boy's parents watched tensely with hope and prayer. Four hours later Billy's eyes opened as he smiled in recognition of his parents.

Dr. Hormell was a Candidate in our January, 1967, Class, and Dr. Levine joined Aleppo in 1954.

James E. Heppert traveled over 12,000 miles to become a Noble of Tadmora Temple, Akron, Ohio, on December 3rd, in a class named in honor of his father.

Heppert, a legal resident of Barberton, Ohio, for the last 20 years has worked all over the world as a geological engineer. Presently his headquarters is in Brisbane, Australia.

His father, for whom the class was named, is Illustrious Sir Ernest D. Heppert, 33rd°. Past Potentate of Tadmora Temple, and long-time Masonic leader in Ohio.

TRAVELS FOR DEGREES

James Heppert is used to traveling to receive his Masonic Degrees. He flew from Spain to Paris to take his Entered Apprentice and Fellow Craft Degrees. Then he traveled to Barberton where he was raised to Master Mason by his father, a Past Master of the Lodge. Later he went to Cleveland to become a member of the Scottish Rite, Valley of Cleveland.

Heppert came from Australia by ship for the Ceremonial—his first trip home in almost three years—and returned by plane, a round trip of 25,000 miles.

Also at the Ceremonial was another Heppert son, Ernest D. Jr., a Noble of Kerbela Temple, Knoxville, Tennessee.

DON'T CLOSE THE DOORS!!!

IT HAS been brought to our attention that several incidents have occurred whereby the parents of an otherwise qualified and worthy child—in need of treatment—were discouraged because of a Shriner's statement that "the waiting list is too long, you probably can't get your child into the hospital."

We hasten to assure you that this notion is entirely without basis—in fact, beds are available, and every effort should be made to seek out those children who would benefit from the care and treatment to be found in one of our Temples of Baby Smiles.

Our great philanthropy exists to help the children. Please make every effort to pass this information along to any Noble or person interested. We want to make sure that each Noble is aware of the proper procedure for admission application. Nobles should NEVER discourage or cause a crippled child to be turned away from our doors. Nobles, be sure of the FACTS before acting in haste.

Applications for admission of a child to your Crippled Children's Hospital at Springfield may be obtained from the Recorder, 569 Boylston Street, Boston, Massachusetts 02116.

REPORT OF OUR 1967 ANNUAL SHRINE CIRCUS

THE 24TH ANNUAL SHRINE CIRCUS sponsored by Aleppo Temple this year again featured Spring sponsorship of the world famous Ringling Bros. Barnum & Bailey production at the Boston Garden for 12 performances. We are pleased to report that due to continued cooperation and support by so many Nobles and friends the results were most gratifying. In fact, to really witness the complete production once in its entirety it was almost necessary to see it twice! We are hopeful that the total of returns still coming in, welcome as they are, will assure record results.

Officers and uniformed units of the Temple on parade from Copley Square to the Garden provided a colorful opening feature for official Shrine Night on Saturday, June 3.

Thousands of less-privileged children from no less than 80 varied agencies attended both morning and afternoon special performances on Saturday, June 3 as guests of all who joined our unselfish endeavor. Admission and prompt seating of these groups was made possible by members of our Aleppo Guard, together with Nobles Willard C. Lombard, Bill Shannon, Henry Markow and Charlie Woodman. Nobles Graham, Morse, Epps, Anderson, Elderbaum, Salter, Breugelman, Craig, Golub, A. Anderson, Harta, Manning, Metcalf, Parker, Philbrook, Price, Rugan, Soucy, Waddle, Bedrosian, Brayton, Cutter, Dea, Essex, Olinder, Stergion, Sleeper, Varley, Whelpley, Harmon, comprised the corps of Temple Guards.

Our unit of Aleppo clowns really had a field day in their chosen field.

Your Chairman is again profoundly grateful for the continued generous support evidenced by so many of our Nobles. Sponsorship and operation of a Shrine Circus is a real job. Invitations issued early this spring to over 100 agencies and institutions for thousands of children to be guests of our Daddy Club, with assignment of individual groups not only to definite performances but to special reserved seat sections on arrival, resulted in capacity audiences.

We are justly proud of our Circus. It is the very spirit of the Shrine at its best. Down through the years the very word "Shriner" has become synonymous with pageantry, happiness and smiles. No child who has ever been thrilled at a Shrine Circus as the warmly welcomed guest of Aleppo Temple and its friends can ever forget the man in the red fez. We truly wish every Noble could share the privilege and especially the keen pleasure of reading the kindly and grateful sentiments experienced in scores of letters received.

So also has it once again been an experience to read the many responses from Nobles of Aleppo Temple as a study in human nature. We hear from wonderful Nobles, many of whom are reaching the sunset hours of a long life journey. We read of financial stress, lingering illness, or sudden misfortune, almost always coupled with courage, unselfish thought of others, love of American childhood, and a loyal pride in the Shrine. A few typical letters from our Nobility, with signature initials altered to protect identity, are appended to this report. Most of them make one proud to be a Shriner.

Yours with and in the Faith,

Robert G. Anderson
Chairman

NOBLE, DID YOU JOIN THE 1967 CIRCUS DADDY CLUB?

THE NAMES of Nobles of Aleppo who previously joined the 1967 Shrine Circus Daddy Club, List No. 1, by purchasing three or more coupons to our 1967 Shrine Circus and returning the tickets with their check to admit less privileged orphans or handicapped children to our Circus have already been published. Printed below are the names of Nobles joining the Daddy Club up to August 9, 1967.

The Circus Committee appeals to Nobles who have not already filed returns on their tickets for this year to join the Daddy Club now by returning any unused Membership coupons and a check to cover at least a part, if not all, of the returned tickets. By so doing, these Nobles will not only assist the Committee in promptly balancing the ticket account of this year's Circus, but also make up any difference between requests made for Daddy tickets this year and the supply available. Additional Daddy Lists will be printed in future Shrine notices.

From Oration, Mass. Council of Deliberation, 1962

"THE STRENGTH of a cause is not dependent upon the might of many, but upon the strength of the conviction of the dedicated few . . . history is replete with examples of great causes won by a dynamic minority. The great achievements in life have not been won by those who saw clearly the way to success, but by those who felt too deeply to see clearly. For them every difficulty became a challenge and every obstacle an opportunity for greater achievement. We may be small, but we don't have to be weak. We may be few in numbers but we can be mighty in influence. We may constitute a small minority in a country or a state, but we can be a dynamic minority. We can be a rallying center of great principles that tenaciously held, and courageously proclaimed, and nobly lived will be the creative force that the world needs to find its life in unity, and peace and brotherhood."

THE CORNERSTONE IS LAID

THE ORTHOPEDIC UNITS of the Shriners Hospitals for Crippled Children have had a long and glorious past, 1922-1967 . . . 45 years of medical care for unfortunate crippled children.

The Shriners look forward to a more glorious and continued service to children through the three new Shriners Burns Institutes located in Boston, Galveston and Cincinnati, to supplement the nineteen orthopedic Hospitals.

Harold Lloyd, P.I.P., Chairman of the Board of Trustees of the Shriners Hospitals for Crippled Children; Dr. Oliver Cope, Chief Surgeon of the Shriners Boston Burns Institute; Robert Gardiner Wilson, Jr., P.I.P., Chairman of the Board of Governors of the Boston Burns Institute; and Imperial Potentate Orville F. Rush joined forces to lay the gigantic cornerstone of the Shriners Burns Institutes, Boston Unit, last July 1st.

The Boston Unit, now under construction adjacent to the Massachusetts General Hospital, is a complete Burns Institute with 30 beds and is scheduled to be opened early next Spring.

3rd GENERATION OF MASTERS!

Past Imperial Potentate Robert Gardiner Wilson, Jr., installed his son Robert G. Wilson, III as Worshipful Master of Joseph Webb Lodge, A.F. & A.M. in Boston on Wednesday, October 4, 1967. The new master is the third member of his family in as many generations, all bearing the same name, to preside over the same Masonic Lodge. 1910 - 1927 - 1967 — Judge Wilson's father was master in 1910. Continuity of thought and effort is needed in more homes in this country to maintain a Masonic environment.

A MESSAGE FROM THE POTENTATE

Dear Nobles:

Once again this November, as they have since 1623, the American people will celebrate Thanksgiving Day. I think we should not only thank God for what we have on this day but we should also thank him for what we have been able to give.

As Nobles of the Mystic Shrine, we are thankful we are privileged to belong to this great Fraternity and as wearers of the Red Fez, we can all stand a little taller when we pause for a brief moment and cherish the feeling of genuine accomplishment that seeing our Crippled Children's Hospital must give us. This magnificent work of charity has, is now, and will continue to bring hope and help to hundreds of crippled children. Think of this on Thanksgiving Day.

For those of the Nobility who have not had the opportunity to see our new Shriner Hospital for the treatment of burned children, make this trip to Blossom Street in Boston. This beautiful building

will be dedicated in February and it signals our involvement in a new and worthy endeavor—the treating of burned children and also research in this field. This research and treatment center is made available to all children regardless of race, color or creed. This hospital has come into being through the dedication, determination and untiring efforts of Imperial Sir Robert Gardiner Wilson, Jr. Without his ability, background and selfless devotion, this great hospital would never have come to our city.

We truly have good reason to thank God this Thanksgiving and to be proud that we are Shriners. It gives me a great deal of pleasure as your Potentate to announce that the November 24th ceremonial will be dedicated to Imperial Sir Wilson and the class of candidates will be named in his honor. Let us all make a determined effort to present him with a huge class.

Sincerely yours in the Faith,

Hubert N. Bernard
Illustrious Potentate

SHRINE PLEDGE OF ALLEGIANCE:

"I pledge allegiance to my flag and to the Country for which it stands, One Nation under God, indivisible, with Liberty and Justice for all.

SALUTE:

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem. (The Fez is not removed).

SALUTE TO THE FLAG:

A Noble who wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need *not* be saluted a second time. The same rule applies to street parades.

PRAYER:

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

SHRINE CLOWNS ARE ACTIVE AT CONVENTION

Aleppo Clowns Score Again!

MEMBERS of the National Shrine Clowns Association had a busy week during the 93rd Imperial Council Session, starting with executive committee meetings and an annual business session at the Mayflower Hotel on Monday, July 10.

Judging of clown units was held during the Shrine Day Parade on July 11th, and what a task it was to decide which group made the crowds laugh hardest. The Best in Parade Trophy was won by the Moslem Temple Clown Unit, Detroit, Michigan, whose key-stone cops and tilting car made dignitaries on the

reviewing stand howl with laughter. Second place trophy was won by Medinah Temple's Clowns from Chicago, Illinois, and third place was awarded to Al Koran Temple, Cleveland.

There were also awards for the Clown Units' "Activities Display Exhibit Covering Activities of Past Year." First place in this category went to Kena Temple, Alexandria, Virginia, second place to Aleppo Temple, Boston, Massachusetts, and third place to Almas Temple, Washington, D. C.

All awards were presented at the NSCA Annual Awards Luncheon on Wednesday, July 12th at the Mayflower Hotel.

The Shrine Clowns concluded their week of hijinks on Thursday when they visited hospitals in the Washington, D. C. area spreading cheer to countless shut-ins and marched in the Shrine Night Parade.

UNIQUE GIFT FOR ALL NOVEMBER CANDIDATES AND THEIR SPONSORS

A SPECIAL set of Shrine cuff links and tie clasp have been designed for the November 24, 1967 Ceremonial Class of Candidates.

This set is designed in the Shrine colors — red, yellow and green. The red Aleppo fez is centered on a circular piece and mounted on a square gold base. Encircled around the outside are the words — "Robert Gardiner Wilson, Jr. Class — 1967".

One of these sets will be given to each candidate initiated at the November Ceremonial and a set will also be awarded to each Noble sponsoring candidates by signing the top line of Petitions for membership, as an award to these Nobles who will play a part in this Thanksgiving Ceremonial honoring a great Mason and Shriner!

Special November 24th Ceremonial Petitions have been printed and may be obtained from the Recorder, 569 Boylston Street, Boston 02116.

AN INVITATION FROM KORA TEMPLE SHRINERS FAMILY SKI WEEKEND!

ATTENTION: Skiers, snowbunnies and fire-watchers!

Kora Temple has extended an invitation to the Nobles and ladies of Anah and Aleppo Temples to join them for an exciting winter weekend at the magnificent Eastern Slope Inn in North Conway, New Hampshire. Located only three minutes from Cranmore Mountain, and within easy reach of Attitash, Wildcat and Black Mountain, this fine colonial Inn is in the center of the greatest concentration of skiing in the East.

For the less hardy, the Inn offers ice skating, fire-side relaxation, and a dance orchestra nightly in the lounge. Reservations for the March 8-10 weekend must be made as soon as possible, as accommodations are limited. Reservations may be made for one night only, but Nobles are urged to take advantage of the entire weekend.

Rates are \$16.00 per person per day, double occupancy with bath; \$19.00 single occupancy. There will be an additional charge of 15 percent for tips and 5 percent tax. A deposit of one day's rate, \$32.00 or \$19.00, is required. This is refundable up to the days before the weekend or if there is no skiing in the area. A registration fee of \$3.50 per person will cover expenses and a Saturday evening cocktail party with light hors d'oeuvres from 6:00 p.m. to 7:00 p.m.

The weekend package includes Friday night dinner, Saturday breakfast, Saturday night dinner and Sunday morning breakfast. Guests may have anything on the menu, with the exception of steak and lobster, which carry an extra charge. The Saturday night dinner for Nobles and ladies will feature shrimp cocktail and roast beef. Arrival time is on Friday after lunch, and departure on Sunday after breakfast.

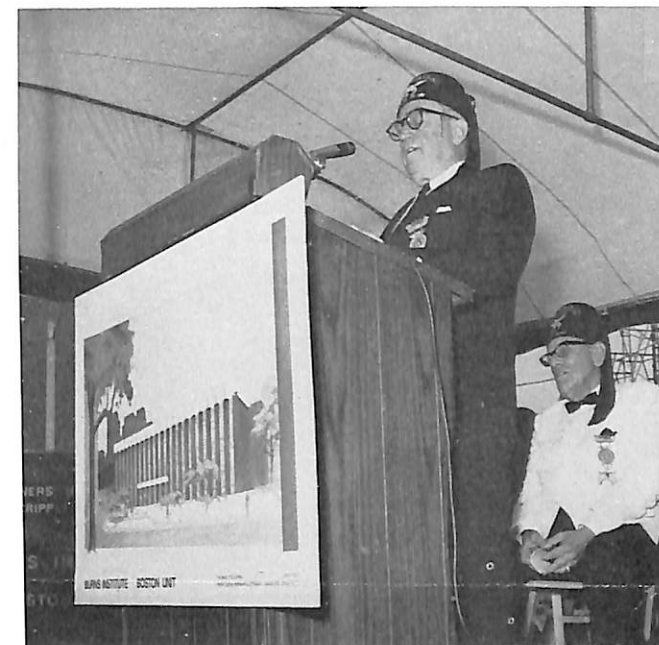

As this weekend is a Shrine activity, registration with the Shrine group is limited to Shriners and their ladies. Should a Noble wish to have a non-Shriner join him, he may register on an individual basis with the Inn and join in informally other than at specific Shrine functions. Please send your deposit and reservation blank to: Mr. Robert G. Wilson, III, 19 Congress Street, Boston. A weekend of fine skiing, outdoor activity and inter-Temple sociability awaits those who respond immediately.

BOSTON CONCEPT USES AIR AND PLASTIC FOR BURN ISOLATION

by John F. Burke, M.D.

A NEW CONCEPT of patient isolation which uses clear plastic barriers and air control to provide a sterile atmosphere is being tested experimentally and planned for inclusion into the Shrine Burns Institute, Boston Unit, at the Massachusetts General Hospital.

This new unit is designed to combat the problem of infection which is of grave concern to burn patients and at the same time, to prevent the psychological problems that might arise from almost total isolation.

Sterile air is pumped into the unit which is walled with clear plastic and the exhaust is removed so that it cannot recontaminate the patient or the ward. Provisions are made for the majority of nursing duties to be performed through gloved arm holes. When it becomes necessary, the nurse or physician can enter through a special air lock which helps to maintain bacterial isolation.

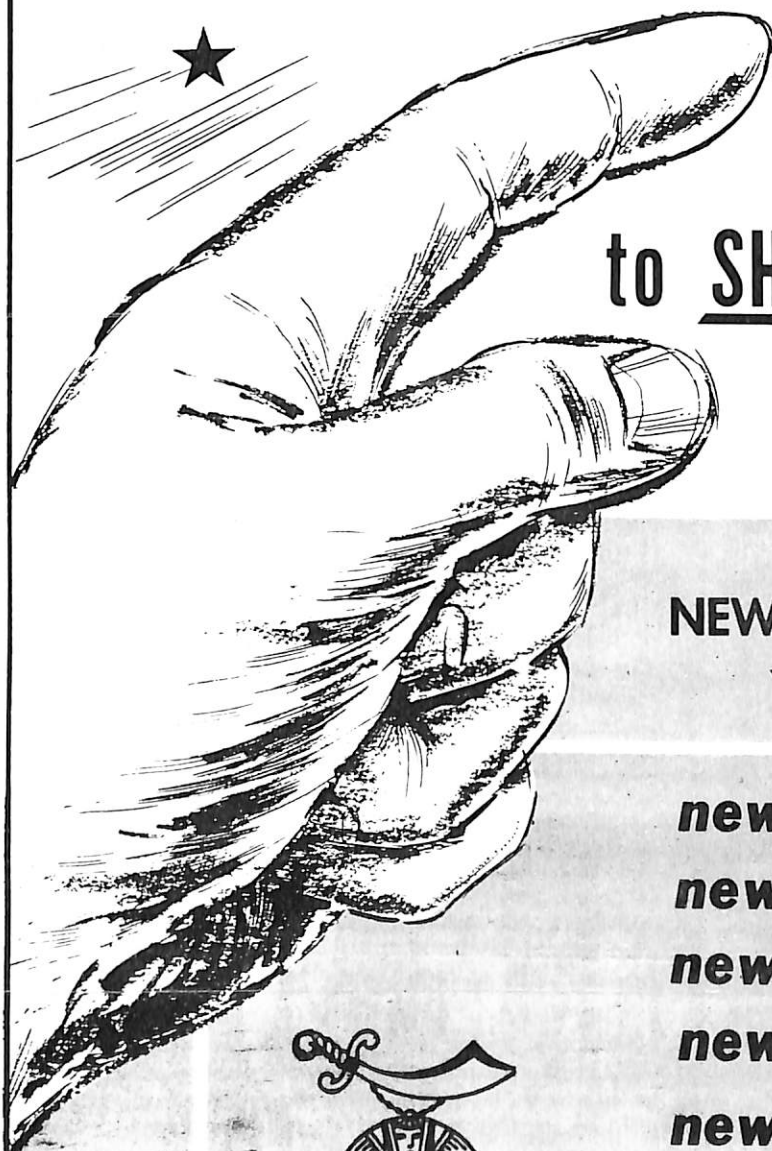

This air and plastic unit should improve burn patient care immensely by providing a bacteria free environment without visual and sound barriers, whenever and wherever patient isolation becomes necessary.
